

**DANTE ALIGHIERI SOCIETY – MELBOURNE INC.
TEACHER of ITALIAN \$5,000 SCHOLARSHIP 2018**

19th February 2018

Dear Victorian Teachers of Italian,

Once again this year the Dante Alighieri Society of Melbourne is making available two scholarships to study in Italy. It is the Society's way of encouraging and involving teachers of Italian in Victorian primary and secondary schools to improve their methodology and teaching practice. With this in mind, the Dante Alighieri Society of Melbourne invites you to consider the following questions:

- Would you like the opportunity to participate in an in-country course in the Italian language?
- Would you like to immerse yourself in Italian culture for three weeks or more?
- Would you like an experience in Italy that enhances your teaching style and maximises your present curriculum?
- Do you think it is time to be reinvigorated and inspired by a new experience of Italian culture that allows you to gain further insight into traditions and customs?
- Do you have a teaching colleague whom you would also encourage to apply?

If so, you and/or your colleague are invited to consider applying for the Dante Alighieri Italian Teacher Scholarship. This scholarship is available for 2018 and needs to be **used by the end of April 2019.**

Please refer to the application form which includes terms and conditions.

This is available on the following website:

I encourage you to take up this opportunity and I thank you for continuing to promote the Italian language and culture in Victorian schools.

Yours sincerely,

Dr Dominic Barbaro AM
President
Dante Alighieri Society, Melbourne
